Bangkok Bilingual School (Primary) **DISCOVERY CAMP 2017**

WORLD HISTORY & GEOGRAPHY

Students will learn about geography, historical figures and cultures of Ancient Egypt, China and the Vikings. They will recreate past inventions and share them with the whole class.

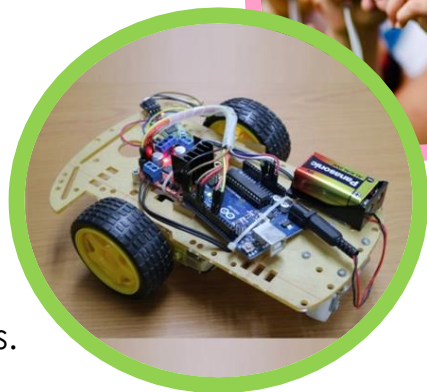

PERFORMANCE & VISUAL ARTS

Students will be involved in musical theater, story-telling, puppetry, interpretative dances, and will draw, paint and create DIY crafts, props and optical illusions.

PHOTOGRAPHY & VIDEOGRAPHY / ROBOTICS

Lower primary students (G1-G3) will learn how to take pictures and videos, which they will also edit in the computer and present in class. Higher primary students (G4-G6) will learn robot car assembly and programming, then showcase their work in class with their peers.

SPORTS & GAMES

Students will engage in team sports and fun outdoor and indoor games such as basketball, football, swimming, volleyball, capture the flag and flag football.

COOKING & D.I.Y.

Students will learn how to cook simple recipes like Oreo chocolate truffle, banana dip, sandwich roll and waffles, prepare drinks like milk shake, fruit shake and smoothies, fold napkins and set tables, plant herbs, build terrariums and make aroma bags.
